To Our Valued Customers,

Cost increases in triglyceride oils, oleochemicals, petrochemicals and labor have necessitated the price adjustments below on select product classes.

Effective on all orders shipping on or after January 1st 2025, or as our contracts allow, Colonial Chemical will adjust pricing upwards as noted below, detailed by product class. Mass Balanced (MB) product grades are similarly impacted. Some specific products may have pricing adjusted differently. If you have any questions regarding your account specifically, please contact your Colonial sales representative or customer service representative. Our list of sales representatives by geography is here: <https://colonialchem.com/sales-regions/>
