To Our Valued Customers,

Cost increases in raw materials, transport and labor have necessitated price adjustments on most product classes in smaller volumes.

Effective on all orders shipping on or after June 1st 2024, or as our contracts allow, Colonial Chemical will adjust pricing for orders in the 1-3 drum, 4-7 drum, and 8-19 drum price tiers, and for 1-3 tote orders. Larger volume orders will be unaffected. Pricing will vary depending upon product and product class.

For an updated quote on the products you purchase from Colonial, or for any other questions regarding your account specifically, please contact Customer Service, or your Colonial Sales Representative. Our list of sales representatives by geography is here:
